Home Brew Recipe

This pour over recipe, discussed by Jake Underwood in his 11:30am presentation, is a perfect starting point to brew great coffee at home.

You'll need a flat-bottom brewer (Kalita Wave, April, etc.), a scale & timer, boiling water and 18 grams of fresh coffee, ground medium-fine. The goal is a 1:15 coffee/water ratio and 2:30-3:15 minute total drip time.

FIRST POUR @ 0 SECONDS

50g circle pour, 50g center pour, within 10 secs

SECOND POUR @ 35 SECONDS

50g circle pour, 50g center pour, within 10 secs

THIRD POUR @ 65 SECONDS

40g circle pour, 30g center pour, within 10 secs
